Year 12

Hello,

Please find the latest edition of the weekly newsletter below. Students have made a great start to their studies. Please find more information below.

Next week is **week 2**.

Best wishes,

The Sixth Form Team

LAST BULLETIN RECAP

- Careers information – drop-in sessions every Tuesday lunch time. No appointment needed
- Rewards
- Passport to 18

WORK EXPERIENCE

Work experience is a key milestone for sixth form students. This week, the Year 12 team launched work experience with students. Students will take part in a one week work experience placement in July 2024.

We encourage students to find a placement which links to their next steps. By investing time and effort into finding and completing their work placement, students gain valuable experience and a great sense of achievement.

If students would like to search for different jobs, the **National Careers Service** website is an excellent place to start. [National Careers Service](https://www.nationalcareersservice.org.uk/)

CAREERS AND NEXT STEPS INFORMATION

REMINDER: Careers drop-in sessions. Mrs Larsen, our independent careers advisor is available in the library every **Tuesday lunch** time to offer advice and guidance. No appointment needed.

Students continue to receive help and guidance on their next steps in form time sessions. In the new year. We will continue to post apprenticeship, industry and employment and university information on our Year 12 TEAMS channel.

There are numerous companies now advertising some excellent apprenticeship opportunities. **This can help students see what is available to them for 2025.** They have been posted on Teams but some key companies to look out for are:

- Caterpillar (opening apprenticeships end of February)
- Nissan (information on Teams)
- ITPS
- British Airways
- Bellway Homes
- British Engines
- National Audit Office
- NEXUS

If your child is interested in applying for apprenticeships, please encourage them to be proactive and be researching and applying. Competition is high and deadlines can be tight, so students need to ensure they apply on time. If your child needs help or support with apprenticeships or job applications, please ask them to contact the careers team or Mrs Bradley.
