Dear Parent/Carer,

We place a strong emphasis on working closely with our parents/carers so that our students get the best possible experience at Hermitage Academy. We always encourage you and our students to let us know of any worries, so that we can deal with them swiftly and effectively.

With this in mind, we would be most grateful if you could take some time to complete our survey for parents/carers. Your views and opinions are extremely important to us as we continue to move forward as a school. We value any constructive points you may have.

To complete the survey, please use the link below which will take you directly to the survey itself.

This should take you no longer than a few minutes to complete. We value any constructive points you may have.
