Year 10 Parents' Evening – Wednesday 8th June 2022, 3:30pm – 6:00pm

Dear Parent/Carer,

We will be holding our Year 10 Parents' Evening on Wednesday 8th June 2022 from 3:30pm until 6pm. This will be held face to face on the school site. This is the first Parents' Evening we have had since students have selected their GCSE options, and teachers are very excited to welcome you into school and discuss your child's progress with you.

Your child should book individual appointments with each of their subject teachers, and they can record the times in their school planner, or on an appointment sheet. It is an important opportunity for you to discuss your child's academic progress in each subject so imperative they book an appointment for every lesson.

While we encourage students to attend with their parents, if they are attending, we respectfully ask that they are in full school uniform.

We will also have some post-16 and careers information available on the night.

Members of the senior leadership team will be available, including myself (although I will have subject appointments too). Should you have any queries that are non-subject specific, then someone will be available to speak to you. If, for whatever reason, you do not get a chance to speak to someone, then I will be available to make follow-up calls.

We are really looking forward to inviting you into school. Should you wish to wear a face mask, please feel free to do so. Hand sanitising stations will also be available.

Yours sincerely,

Miss K Hall
Head of Year 10

Mr S Wainwright
Deputy Headteacher
