YOU SAID...WE DID...

Students now have the option to store their books and folders in the ISC (Independent Study Centre). Students can book a storage space with Mr Wardle.

PUNCTUALITY

We believe in preparing our students for their next steps and the world of work. This is why we believe being punctual to school and lessons is extremely important. If students are late to lessons, they will miss important retrieval activities and new course content. Thank you for your support in ensuring your child is punctual to school.

PSHE FOCUS

In PSHE, students will be looking at relationship and sex education. The first session will look at **consent**.
