WELCOME TO YEAR 8

Welcome...

We're so pleased to have you with us as part of our school community. Our vision remains simple: we want you to enjoy coming to school each day, learn lots, and continue creating even more happy memories along the way.

As you move into the next academic year, we're here to support you every step of the way. We're excited to see all that you'll achieve this year and the positive contributions you'll continue to make to our Hermitage school community!

Mrs Maughan, Head of School

Meet the Team:

Year 8 Year Manager – Mrs Stabler

The Year Manager is responsible for monitoring the wellbeing and behaviour of the students day-to-day. They will manage, monitor and work to improve (where necessary) behaviour and attendance. The Year Managers will be a channel of communication for parents and work with in-house and external support to provide a service of care to all students.

Key Stage 3 Head of Achievement – Mrs Howard

The Head of Achievement is responsible for monitoring academic progress and achievement. They work with subject areas and teachers and look closely at classwork, homework and assessments. If necessary, they can implement intervention programmes and study support to ensure your progress is supported and that strategies are in place for all students to make positive progress across their school career.

Both the Year Manager and the Head of Achievement work collaboratively to ensure you are supported in both an academic and pastoral capacity throughout their time at school.

The Head of Achievement and Year Manager also work closely with the Head of Pastoral Care and the SENDCO to provide additional support in all aspects of school life.

Form tutors

Your form tutor will be the teacher who will see you at the start of every school day. They will check your uniform and equipment each morning and make sure you are ready for the day ahead.

Form Tutor	Location
8H1—Mr Brooker	Ma2
8H2—Mrs Blair	Hu1
8H3—Miss Sawyer	MF3
8H4—Mr Ward	Hu5
8A1—Miss Moore	Ma5
8A2—Mr Kirkbride	Art1
8A3—Miss Watson	Sci1

Office 365

Every student at Hermitage Academy has an Office 365 account. This account allows them to access their school Outlook account (email and calendar); their OneDrive folder, Microsoft teams for virtual learning and our online virtual learning environment Student POD. As a member of Hermitage Academy, students will get the complete Microsoft Office suite for free to download onto home computers.

It is recommended to download and install office 365, email and the following apps onto a mobile phone or tablet:

- One Drive
- Word
- Excel
- SharePoint
- One Note
- PowerPoint

Having this resource at home will support homework and revision at home.

You can access Office365 from a link on our school website. Alternatively, go to www.office.com and use your school email and password to log in.

The school day

You are expected to be on school premises by 08:25 every day. Each day will begin with your form group and form tutor, where you will check that you are ready for the day ahead, hear important messages and find out about events happening in the week ahead. Across the week, in form time, you will complete: World Ready, Reading, Careers and attend an assembly.

You will then attend five lessons across the day, broken up with a morning break and a lunch break. Every Monday, we have slightly different timings to the school day, to include an extended form period.

Mondays (both Week 1 and Week 2)	
Extended form (World Ready)	08:30 - 09:15
Lesson 1	09:15 – 10:10
Lesson 2	10:10 – 11:05
Break	11:05 – 11:25
Lesson 3	11:25 – 12:25
Lunch	12:25 – 13:05
Lesson 4	13:05 – 14:05
Lesson 5	14:05 – 15:00

Tuesday – Friday (both Week 1 and Week 2)	
Form time	08:30 – 08:50
Lesson 1	08:50 – 09:50
Lesson 2	09:50 – 10:50
Break	10:50 – 11:10
Lesson 3	11:10 – 12:15
Lunch	12:15 – 12:55
Lesson 4	12:55 – 14:00
Lesson 5	14:00 – 15:00

We run on a two-week timetable (Week 1 and 2) made up of 25 lessons each week.

Weekly Lessons

In Year 8, most students' timetables consist of the following lessons, although some students receive extra support in Maths and English as part of the LINK group.

Subjects	
English	History
Maths	Geography
Science	ICT
Art	PE
Technology	Spanish
RE	Music
Drama	World Ready (in extended form)

Equipment

It is incredibly important that you come to school equipped for the day and you have to bring this yourself! It is **compulsory** for students to carry a pencil case with the following equipment:

- 2 black pens
- 2 green pens
- 2 pencils
- 1 ruler
- 1 eraser
- 2 highlighters
- 1 glue stick
- 1 scientific calculator – we recommend the CASIO FX-85GTCW

You will also need to bring a bag every day, **large enough to carry an A4 size file for homework/exercise book and PE kit.**

Form Tutors will check that you have these items every day and you will be flagged if you don't, which could lead to a sanction. Our Library has items that you can purchase, if something breaks or runs out.

Menu 2026-27

Students will have access to hot meals in the Dining Hall, as well as a range of sandwiches and salad options. The Main Hall offers our 'Grab & Go' food.

The cost will be £2.80 for a school meal. This price will be subject to review in the Autumn term due to anticipated inflation costs.

We work on a rota system throughout the year, where year groups take turns to go to the dining hall first.

IMPACT

When in school we always want you to do your best. In school we will expect you to follow the IMPACT code of conduct.

These posters will be visible around school, outlining six areas to consider every day.

Being conscious of your...

- Interactions
- Manners
- Preparation
- Aspiration
- Curiosity, and
- Tolerance...can all have a big IMPACT on your behaviour and your successes around school.

EASI

EASI is the system we use in school, that has everything you need to know and access in one place, making it really 'easy' for you to get through your week in school. When you arrive, you will be given your own EASI login, where you can check how many positive points you have received, buy items from our reward shop, check your homework and also check if you have been given any consequences or detentions. You can also access Office365, your school email, Student Pod and Teams - all important programs that you will need for school and homework. You will receive a login and a password that both you and your parents can use.

Rewards

We LOVE celebrating success, and we reward students with house points and other prizes. We regularly hand out house points in and out of lessons, for great teamwork, going above and beyond, bravery and high quality homework, amongst others. In fact there are TWELVE categories where you can score points!

As well as house points, we award postcards, certificates and lapel pins. We celebrate success every week in our assemblies, and we have a huge celebration assembly at the end of the Autumn and Summer terms. We do regular shout outs on social media, and you can cash in your points for stationery, queue-jump passes and free food!

In addition, we hold a termly 'Culture Vultures' challenge to all students, where you can choose a range of tasks to complete, allowing you to broaden your knowledge on topics not normally covered in subject lessons.

Houses

The house system is about encouraging you to be your best and work towards excellence in all that you do. Every house point earned by you goes into your house grand total. We love the spirit of competition and it is always exciting to see which house has won the competition each term!

Each house is named after a quality we aim to embody: Ambition, Evolution, Synergy and Integrity. Regardless of what house you are placed in, we want you to excel and exemplify all of the traits that your house holds.

World Ready

Our PSHE World Ready programme helps children develop their character, including mental wellbeing, sense of purpose, and independence, allowing them to become strong adults. It is a very thorough course and is delivered over the full 7 years that pupils spend with us.

We study topics such as: British Values, healthy relationships, how our body changes, being safe both online and offline, leading a healthy lifestyle and effective revision strategies.

We also look at topics not usually covered in other subjects, such as finance and money management, community topics and careers.

We do a lot of discussion and group work in World Ready, which will develop your confidence and allow you to demonstrate great leadership skills and teamwork.

You will have a workbook to write down your ideas and every topic will have a detailed knowledge organiser to work from.

This is what your year in World Ready will look like:

POD

Hermitage has a virtual learning environment called Student POD. Student POD has all the information about the subjects you study including knowledge organisers, topic resources and helpful tools and information for revision. You can Student POD either by logging on to the Hermitage Academy website homepage, or directly through your EASI account.

Homework Hub

Homework Hub is a great opportunity to complete homework and gain support with organisation, which is ran by the Heads of Achievement. This is an excellent space for students to complete their homework while also collaborating with friends in a supportive and positive environment. Students are rewarded for attending with House Points and the Homework Hub loyalty card, which upon completion, earns you 10 additional house points and your choice of a queue jump or break-time snack pass!

Hints & tips

We want you to be ready for everything at school. To prepare you for September, here are some hints and tips for success:

Make sure you pack your bag the night before so you are fully prepared for the day ahead. Everything you need should be ready and easy to access.

You must bring your school bag every day, with your completed homework in a plastic wallet and all the equipment you need, including your PE kit (if needed) and a water bottle.

Always have access to your timetable. It's a good idea to keep a copy in your pencil case, one in your bag, and another at home so you are always organised.

Respect is expected at all times. There is no reason to be disrespectful to anyone. Treat your peers, teachers, and all school staff with kindness. Use good manners—say please and thank you, hold doors open, tidy up after yourself, and put rubbish in the bin. A positive attitude goes a long way.

As you progress through Year 10, work will become more demanding. Expectations will increase, and homework, assessments, and revision will play a key role in your success.

Punctuality is essential. Arrive on time each day and move quickly and sensibly between lessons.

Take responsibility for any work you miss. Catching up is your opportunity to stay on track and strengthen your understanding. This will help you build the skills and habits needed for success in your GCSEs.

Write down 3 things that you will commit to doing each day. This could be subjects that you will complete revision for, intervention that you will attend, research that you will complete into an area of interest. Writing it down gives you focus and helps you make it a habit.

- Keep the momentum going from Year 7—this is a really important stage in your journey. This year sets you up for success in Years 10 and 11.
- Stay focused. The decisions you make now will shape your future pathway. Take full advantage of opportunities to explore your options—use parents' evening, information evenings, and assemblies to learn more about the road ahead and make informed choices.
- Step up and take responsibility. Younger students will look up to you, so set a positive example through your behaviour, attitude, and effort.
- Get involved in trips and opportunities beyond the classroom. These experiences can help build confidence, develop new skills, and create great memories.
- Attend school regularly. Good attendance ensures you don't miss out—not just on learning, but also on the wider opportunities available to you.
