National Career Service

[Careers advice - job profiles, information and resources | National Careers Service](#)

NCS website is a fantastic website that allows students to search for careers information, advice and guidance.

- Students can explore careers
- Find courses
- Assess their skills and link them to new potential careers
- Access support about making career choices
- Speak to an advisor about your next steps

Labour market information (LMI)

LMI refers to any relevant information about the current state of the jobs market. LMI can include information like:

- The industries and businesses that operate in a certain our local area.
- The types of jobs that exist and what they involve.
- How many of those jobs there are with links to our local area.
- The skills that are currently or will be in high demand.
